

Faces of the Soul

Instructor: [Nanette Giacomia](#)

We all wear a variety of “masks” throughout life, maybe even throughout each day. Through the mask making process we will take a journey beneath the masks we wear everyday and touch the soul. Using guided imagery to access our intuition about ancestors, spirit guides and totem animals we will take a mold of our faces and sculpt a mask in our soul-image. Sharing an ancient process, we will be both mask giver and mask recipient. It is an integrative exploration of self-discovery. (Workshop adapted from Faces of Your Soul by Elise Dirlam Ching and Kaleo Ching.)
