

Kate Cutko

I am a local mom who is lucky to be the town's librarian and also a part-time adoption social worker. I was raised by women who craft and who understood the value of recycling materials. I celebrate the joys of the Bowdoinham Recycling Barn in my blog, www.barnofopportunity.blogspot.com. I belong to the Bowdoinham Guild of Artsians, the Merrymeeting Arts Center and a small quilting group called "The Frayed Edges."
