

Explore Merrymeeting Bay Watershed by Kayak

Instructor: [Alice Bean Andrenyak](#)

Explore the Merrymeeting Bay watershed by kayak as you travel along the Cathance River, Muddy River, or Androscoggin River to Merrymeeting Bay. Each three hour family oriented tour will entice the paddlers to enjoy learning about the ecology, history, and wildlife in the area from the seat of a stable kayak. No kayaking experience is necessary, and parents with small children are encouraged to join.

Alice's Awesome Adventures will provide enough sea kayaks, paddles, properly sized and fitting PFD's (lifejackets), drinks and snacks for each paddler. Some of the sea kayaks will be doubles, some singles. The boats will be delivered and picked up just before and after each trip by Ring's Marine Service of South Freeport. Alice will also provide extra paddles, towline, and other safety gear.

Required Supplies List:

Closed toe shoes that can get wet (not open-toe flip flops)
Quick drying clothing (no cotton) and a windbreaker or rain coat
Synthetic fleece to stay warm
Baseball cap or hat, Sunglasses and strap
Non-aerosol bug repellent and sunscreen, bottle of water
(Optional) Swimsuit, towel, camera

Special Notes: Tours will run rain or shine unless there is thunder & lightning or other dangerous environmental and weather issues. When registering, participant must choose single or double kayak, so the right mix will be delivered. If you register on-line, someone from the school will call you.
