

Earn to Learn

Our school offers credit toward tuition for our courses in exchange for working at our school store. There may also be other opportunities for work available at any given time. For each hour of work, we are currently offering \$10 toward course tuition; however, we limit the amount you may apply to tuition for any one class to 50%, plus the cost of materials and supplies. We will maintain a credit balance for you for as long as a balance remains.

To learn more about work opportunities at the school, please call our office at 207-666-8900, or click on this link to register online: [**Volunteer**](#)
